CRAZY WORLD

Limited Edition Box Set

Outer box. Cover art by Alan Schulman, photography by Deneka Peniston, printed direct to matte white corrugate.

The set as it arrives: lid opened forward on its collage, cotton tees, tour poster, and the signed disc in its own numbered inner box.

Eleven boxes. A number chosen for the album's eleven tracks.

This limited edition vinyl / CD box set has been personally designed and art directed by the musical artist, Stacey Schulman, to celebrate the music, the message and the artistry of Jennifer Tornopsky's bespoke collage work.
